## EXPERIENCE

### **Freelance Marketing Specialist**

March 2016-Present

*Sunny Dublick Marketing*

Independent marketing specialist creating customized strategies for a portfolio of clients

- Recently launched a new product for a client at a major tradeshow- collateral materials were written, designed and printed, a 10-part email nurture campaign was launched and an new promotion was created for conference attendees
- A marketing plan, calendar and budget was created for a client for FY17, outlining a roadmap for generating awareness and leads to reach targeted sales goals
- Organic & paid SEO practices were researched and implemented for a client interested in increasing relevant web traffic, resulting in increased sessions and RFQ form submissions
- Website edits were made to increase landing page "stickiness" and decrease bounce rate- call to action buttons and email before download forms resulted in more on-site engagement and contact captures

### **Global Marketing Manager**

January 2015 – February 2016

*CETRA Language Solutions, Elkins Park, PA*

Created tactical marketing plan objectives and initiatives for the global market to be executed throughout the year and measured against organizations strategic goals

- Maintained marketing event, content, campaign and budget calendars
- Represented the company at conferences, trade shows and other marketing/networking events
- Created and implemented the global digital content strategy for social media channels and company blog
- Wrote digital and offline marketing content and distributed press releases as part of an inbound marketing strategy
- Managed email and direct marketing campaigns- including concept, creation, analysis and reporting
- Developed and maintained relationships with key trade associations in our areas of specialization to maximize marketing opportunities and brand awareness
- Created engaging presentations for clients and prospects to promote cross-selling and strategic partnerships
- Responded to bid opportunities and wrote corporate proposals
- Maintained company website and client database
- Tracked and reported on customer satisfaction levels via quarterly surveys in line with company's ISO certification to help create customer service best practices
- Monitored global key performance indicators and reported to management to support key business decisions
- Created internal initiatives to foster employee engagement and support a strategic objective to participate in philanthropic activities globally

### **Integrated Marketing Manager**

August 2013-December 2014

Finch Brands, Philadelphia, PA

Provided account support to a diverse portfolio of brands, ranging in size and industry, to see each unique project through- major clients included The Philadelphia 76ers and Brown-Forman

- Driving force to see client campaigns through from development to execution, providing continuous support and guidance to achieve the desired results
- Managed an internal team, for both creative and strategic engagements to establish a foundation for long-term relationships
- Conducted interviews with clients and stakeholders during the Discovery phase to derive key insights
- Provided analysis of quantitative and qualitative data (both primary and secondary) to extrapolate key insights and develop brand themes for strategic presentations
- Led the creation and implementation of marketing plans, which included media placement recommendations, internal and external branding suggestions, budget scenarios and timelines
- Managed social media content and creative for clients to drive actionable results, both in followers and website conversions
- Delivered marketing expertise and recommendations to clients on an ongoing basis

### **Marketing Coordinator**

June 2011-July 2013

Hay Group, Philadelphia, PA

Led marketing efforts in the Life Sciences and Healthcare sectors through an integrated marketing strategy that included social media, public relations, association memberships and conference support

- Planned and supported the execution of all corporate east coast events, including the *FORTUNE* World's Most Admired Companies study and *The Wall Street Journal* Executive Compensation study panel events
- Researched and made recommendations on industry events, provided tactical planning, support and follow-up for each
- Measured and reported to management the ROI for each event/marketing activity in the region and generated reports for benchmarking and sales trends
- Coordinated monthly business development calls with regional executives and presented updates on upcoming marketing initiatives
- Collaborated with the Healthcare sector team to help launch a new strategic program in Physician Leadership
- Utilized the Campaigner email system to deliver information to clients and prospects on events, publications and the latest industry news
- Updated Hay Group's website with events, news, and achievements

**Account Executive**

August 2009-June 2011

*The Media & Marketing Group, Voorhees, NJ*

Responsible for the daily management and support of advertising and production jobs for 4 major gaming accounts, jobs included everything from direct mailers, TV & Radio spots, print ads, collateral materials and billboards to interactive digital banners and social media assets

- Maintained client satisfaction through frequent communication and support to discuss daily status, projects, news, and upcoming events
- Managed individual jobs from start to finish through dedicated project management across creative, production, media and copy departments
- Sent out daily lists to internal teams to ensure projects were on schedule and maintained a database with all client jobs, due dates and progress notes- documenting anywhere from 100-300 jobs at a time
- Responsible for the organization of activation work, an inter-agency partnership of account management support for a diverse client portfolio ranging from Coca-Cola North America to Virtua Health Systems

**Assistant Marketing Director- Freelance**

June 2008- November 2008

*Iperdesign, Haddon Township, NJ*
